2019 RADAR Summer Dance Intensive

June 17th – June 21st

Henrico High School
302 Azalea Ave
Richmond, VA 23227

Cost: \$300 + \$25 non-refundable registration fee

RADAR invites intermediate and advanced dancers in high school and advanced incoming 7th-8th graders to join us for an exciting five day dance intensive. The intensive is designed to give dancers an opportunity to develop their dance technique and express themselves creatively during the summer.

The week will include a variety of daily technique classes, as well as provide an opportunity for artistic growth in improvisation and composition courses. The intensive will conclude with a showing of choreography and a reception for family, friends and the community.
